RESPONSE

ASSISTANT COMMISSIONER FOR PATENTS  
Washington, D. C. 20231

Sir:

In response to the office action dated July 7, 2000, there is filed herewith a revised sequence listing in machine readable form as well as printed out. There is no substantive difference between these two forms; and there is no substantive difference between the information submitted herewith and the sequence listings that were originally filed in this application. Therefore, no prohibited new matter has been introduced into this application.

Kindly amend the specification as follows:

Kindly add the attached alpha numeric sequence listings to the specification as the last pages thereof.
